Students may also wear ballet skirt or warm up shorts over leotard. Hair must be worn off the face and neck. Ballet warm ups may also be worn over leotards. Write students name inside of each shoe with fine tip sharpie.

Jazz/Character/Musicals: Prefer tan or black jazz shoe. Certain athletic shoes permissible. Lightweight comfortable top(must cover mid section), shorts, leggings or yoga pants (Athletic pants and T-shirts for boys acceptable). Clothing must be modest and cover mid section and body appropriately with no offensive writing. Jump up and down, go upside down- If your skin shows, it must be covered. Proper undergarments with proper support are also expected to be worn under clothing at all times. Write students name inside of shoe with fine tip sharpie.

No jewelry that dangles as this is a safety hazard not only to the student but also to class/teammates-This includes all piercings, necklaces, bracelets and hair accessories.

*Student discounts are offered at most valley dance wear suppliers- Please tell store clerk you or your child are a student at NVCA in the Performing Arts Program. You will be asked for your student ID card as proof and if you don't have your school ID, you will need to provide my name. Nathalie & Co Dancewear in the north valley(19th Ave & Deer Valley Rd.) is a close-by retailer that has these items and more. Here is their website: <https://www.natcodancewear.com/>

I also would like to recommend [discountdance.com](https://www.discountdance.com/) for online purchases however, you should go in-person to get properly fitted for ballet/jazz shoes if you are purchasing them for the first time. Dance shoes are different from street shoes and dance shoes too large(baggy) or too small will cause pain or injury to a dancers feet. Please do not purchase house slippers from Walmart as ballet slippers. Ballet shoes should be split-sole canvas only. Students can leave their dance shoes & attire in my classroom in cubbies to cut down on bulk weight in their backpacks. I ask that the students provide a small bag(preferably an aerating bag) for

their shoes and either a small garment bag(Walmart has them inexpensive) or white garbage bag to go over their hangers to protect their leotards and tights. Students will be given time to change. Students with any special needs will be accommodated. There may be on special occasion the need to purchase a costume or costume piece for a dance performance. Every effort will be made to either rent or find something reasonably priced or creatively put together with pieces a student has for some dance numbers. Costumes can range from \$30-60, so please plan accordingly.
